Total No. of candidates applied for admission to this Examination were 34659. The result is being declared on 27-12-2025.

1. PROCLAMATION

- (ii) The result of all candidates whether successful or otherwise is being published for convenience of all concerned.
- (iii) The numerical figures given in the result column (Part I&II) show the marks obtained by the successful candidate while the abbreviations show the subjects in the result column of Part-I & II gazette in which the candidate fails or any other position of the result.

2. CANCELLED ROLL NUMBERS

The un-allotted roll numbers have been cancelled. Similarly the roll numbers of the candidates sent up provisionally by the institutions but finally withdrawn or of those candidates who were found ineligible for any other reason have also been cancelled.

3. CHANCE TO REAPPEAR

Those candidates: -

This time, successful efforts have been made to reduce the number of result later cases to negligible percentage. However, some results are pending of those who in spite of repeated reminders have failed to remove discrepancies.

Non-adjustment of fee accounts

Non-determination of their eligibility.

Any other discrepancy already intimated to them.

All such candidates are advised in their own interest to deposit the arrears of fee, if any and to comply with other requirements already intimated without further delay, otherwise the office would not be able to release result intimations.

BOARD OF INTERMEDIATE AND SECONDARY EDUCATION GUJRANWALA

INTERMEDIATE 2nd ANNUAL PART-II EXAMINATION, 2025

5. CONCESSION

Candidates failing in any subject to qualify for the grant of the Intermediate Certificates for want of not more than **one percent** of the total number of marks allotted to the relevant group have been given the benefit for requisite number of marks in the subjects in which they have failed so as to enable them just to qualify for the grant of certificate but these marks have not been physically added in the marks obtained by the candidates in the said subjects or the aggregate. Thus the aggregate shown in the result card is the real total of the actual marks obtained by the candidates exclusive of the grace marks.

6. RESULT INTIMATION

Result intimations to the successful and failed regular/private candidates have been dispatched to them under registered cover. Duplicate intimation card/certificate will be issued except on an application made on the prescribed form with 60 days from the declaration of the result.

Result intimations to the successful and failed private candidates have been under registered cover at their provided addresses.

Original Certificates to the successful regular candidates will be sent in due course of time to their respective institutions. The certificates of private candidates will also be dispatched on their home addresses.

UNFAIRMEANS CASES

As a result of strict measures adopted to curb the tendency of unfair means in the examination, a remarkable achievement has been noted. Despite of, vast and comprehensive inspections only 15 cases in all could be detected with alleged use of unfair means in the Examination Halls. Their decisions have been made as under.

A judicious procedure has been observed to decide all these cases. Before deciding the cases of alleged use of unfair means fair opportunity of defence has been provided to all the candidates involved in such cases. A liberal offer has been made to the candidates to avail the chance of personal interview with the discipline Committee and it has been ensured that personal hearing is granted to every such candidate who has shown willingness for this purpose. All the undecided cases are pending for want of written reply from the candidates in response to charge-sheet issued to them by the office. These candidates have been reminded more than once to submit their statements to the office to proceed further in the cases. All of them are hereby advised to submit their written defence to avoid ex-part decision. The numbers of unfair means cases detected in this examination and so far, decided are mentioned here under:
